

Room for RENT

Christian Woman who loves the Lord with all her heart is seeking a Christian woman to roommate in apartment complex on Swain Rd between Pacific and Pershing areas. Close to bus stops, not far from Delta College, grocery stores, highway 5. I am asking 1/2 the rent of \$375.00 plus 1/2 utilities. Supply your own groceries and personal items. I work so I would like someone who is considerate, church going and follow the ways of the Lord, also who wouldn't mind my kids visiting 2 weekends out of the month, if that. If interest

I am looking for a vehicle that anyone wants to donate or sale. My car broke down all of a sudden and I need a vehicle to get me back and forth to work, church, grocery store, and to visit my kids and school when I start back up. I don't have much money but I am willing to do what I can to save.
