

Roommate Wanted

Do you know anyone looking to rent a room in a beautiful home.

Our long time roommate of 2yrs has moved. So.....WE ARE LOOKING FOR A NEW ROOMMATE.

If you know of anyone looking to rent a room please let me know. It would be great if we could find a musician like our other roommate.... who stayed with us for 2 years...

This is a sweet deal for anyone wanting all the amenities of home without all the responsibilities. We live in a nice part of **Sacramento, North Natomas near Arco Arena, a very central location to freeways (80 & 5) and minutes from Downtown Sac.**

Please only refer someone you would want living in your home. We are open to anyone who is reliable. Great for a Musician or a College student, single man or women, young person....anyone wanting to save money.

Call me for all the details.

Please help us get the word out to family and friends of family.....thanks for the help...
